

EXT. DEER CREEK ROAD - DAY

Helen and Dot pull up in Dot's car. TWO COWBOYS standing beside their pick-up truck. Dot comes around to Helen's door and helps her out.

COWBOY ONE

You okay, Ma'am?

HELEN

Yes, I'm fine. You can call me Helen. Where did you see Dude?

COWBOY ONE

He was strolling down the road when my partner here spotted him. We almost ran him over.

HELEN

What?

COWBOY TWO

We stopped the truck and called you off this flyer. We tried to get him to come to us and the little guy just took off clear into the desert.

HELEN

I don't understand why he's doing that! Please call me if you see him, again.

COWBOY TWO

We tried to follow him but he was just too quick.

HELEN

Okay. Thanks anyway.

Helen and Dot get back into the car.
