

EXT. CAMPUS - DAY

Tom and The Professor meet.

TOM BIANCHI
You out of your mind, coming to my
house like that!

THE PROFESSOR
You have a problem.

TOM BIANCHI
I'm working on it!

The Professor realizes Tom doesn't know.

THE PROFESSOR
Carlo's dead.

TOM BIANCHI
What?

THE PROFESSOR
They found him out by the I10.

TOM BIANCHI
The Russos?

THE PROFESSOR
Dunno.
(Beat)
There's something else. Word on
the street is there's a new guy in
town.

TOM BIANCHI
Who?

THE PROFESSOR
I'll ask around.
(Beat)
In the meantime, I brought you
something.

He gives Tom a bag. Tom opens it. There is a gun inside.

THE PROFESSOR (CONT'D)
I fixed it. You have a clip of
hollow points. Spare clip's in the
bag, if you need it! It's fully
automatic. Enough to stop a truck.
